

WeightMate App Wireframe Designs and Pathing

[My Miro Design](#)

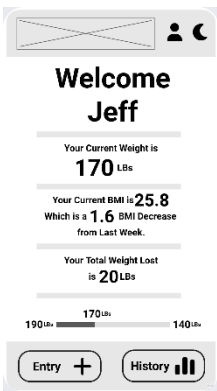

Anything highlighted in blue is intended to be an Overlay.

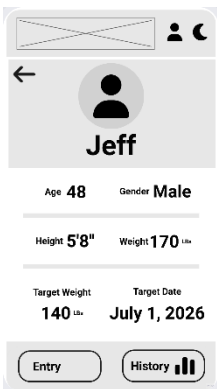

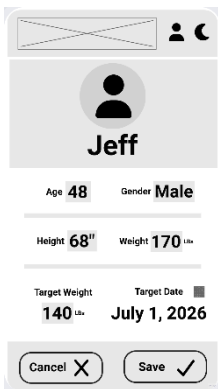

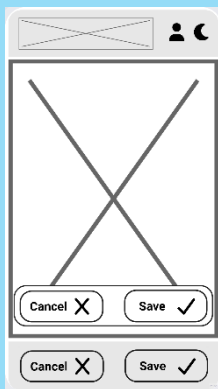

The pathing listed below each image is really only intended as a sanity check for me so I could verify that all linkable elements have been accounted for and that there are no screens which are required to exist that do not.

Main			
 Mockup of the Main screen. It features a header with a placeholder for a profile picture and a menu icon. Below is a 'Welcome Jeff' message. A weight section shows 'Your Current Weight is 170 Lbs'. A BMI section shows 'Your Current BMI is 25.8 Which is a 1.6 BMI Decrease from Last Week.' A weight loss section shows 'Your Total Weight Lost is 20 Lbs'. At the bottom, there is a weight progress bar from 190 lbs to 140 lbs, and two buttons: 'Entry +' and 'History' with a bar chart icon.			
Main > Main Main > Profile Main > (WE) Main > (WH)			

Profile	Profile Edit (PE)	Profile Photo Edit (PPE)	
 Mockup of the Profile screen. It has a back arrow, a profile picture placeholder, and the name 'Jeff'. Below are fields for 'Age 48' and 'Gender Male'. Then 'Height 5'8"' and 'Weight 170 lbs'. At the bottom, 'Target Weight 140 lbs' and 'Target Date July 1, 2026'. Two buttons: 'Entry' and 'History' with a bar chart icon.	 Mockup of the Profile Edit (PE) screen. It shows the same fields as the Profile screen but with edit icons (pencil) next to the Age, Height, and Weight fields. At the bottom are 'Cancel' and 'Save' buttons with checkmark icons.	 Mockup of the Profile Photo Edit (PPE) screen. It features a large placeholder for a profile picture with a large 'X' over it. At the bottom are 'Cancel' and 'Save' buttons with checkmark icons.	
Profile > Main Profile > Profile Profile > Back Profile > (PE) Profile > (WE) Profile > (WH)	(PE) > Main (PE) > Profile (PE) > (PPE) (PE) > Cancel (PE) (PE) > Save (PE)	(PPE) > Cancel (PPE) (PPE) > Save (PPE)	

Weight Entry (WE)	Weight Entry Photo (WEP)		
 The mockup shows the 'Weight Entry' screen. At the top is a header bar with a placeholder for a profile picture and a user icon. Below the header, the title 'Weight Entry' is displayed. There are two radio buttons: 'Pounds' (selected) and 'Kilograms'. Below these is a text input field labeled 'Your Weight in Pounds'. A section titled 'Add an Image?' explains that adding an image allows for visual comparison of weight loss progress. It includes a camera icon and a file input field labeled 'image.jpg'. At the bottom are 'Cancel' and 'Save' buttons with 'X' and checkmark icons respectively.	 The mockup shows the 'Weight Entry Photo' screen. It features a large central area with a diagonal 'X' indicating a missing or failed image. At the bottom are 'Cancel' and 'Save' buttons with 'X' and checkmark icons respectively.		
(WE) > Main (WE) > Profile (WE) > (WEP) (WE) > Cancel (WE) (WE) > Save (WE)	(WEP) > Cancel (WEP) (WEP) > Save (WEP)		

Weight History (WH)	Weight History Photo (WHP)	Weight Entry Deletion (WED)	
			
(WH) > Main (WH) > Profile (WH) > (WHP) (WH) > (WED) (WH) > (WE) (WH) > (WH)	(WHP) > Close Photo	(WED) > Cancel Deletion (WED) > Confirm Deletion
